ESCROW AGREEMENT

The property owner/developer of the project identified below hereby agrees to provide to Westtown Township an escrow in the amount of _____ to cover any reasonable charges by the Township's professional consultants for review and report thereon to the municipality. Professional consultants include, but are not limited to, architects, attorneys, engineers, geologists, land surveyors, landscape architects or planners. Westtown Township will provide copies of the consultant's bills. If the initial escrow is depleted, the property owner/developer will be required to replenish such escrow prior to further project review.
