WE INVITE YOU…TO A *ONCE-IN-A-GENERATION* WESTTOWN EVENT

What?   Community Visioning Workshop for the Comprehensive Plan Update
When?   Thursday, June 23, 2016 from 7-9 p.m.
Where?   Rustin High School Cafeteria (1100 Shiloh Road)

Why?

Like us, and so many other Westtown residents, you care about this special Township we call home. Our fellow members of the Board of Supervisors and the Planning Commission *want and need* to hear what you have to say about the following:

- What's working well today?
- Where is there room for improvement?
- As we plan for *the next 10 years*, what thoughts, concerns, and suggestions do you have about the future of the Township?

What's this about?

This event is a "Community Visioning Workshop," which may sound a bit unusual, but we can assure you it will play a huge role in planning for the next 10 years.

Your input will help 13 of your fellow residents–members of the Comprehensive Plan Update Task Force–put together a "blueprint" that will touch on just about every aspect of our Township, everything from:

- traffic to recreation
- roads to sewers
- our rich history to current signage
- our schools to farming;
- maintaining the unique character of Westtown to dealing with ever-changing technologies

- law enforcement to expanding the economic base
- thoughtful development of the few remaining large plots of land to housing that meets future family needs

Who should attend?

Every Westtown resident…

- new and long-standing
- retired and still working
- teachers and students
- police and firefighters

- parents and grandparents
- environmentalists and business owners
- employers and employees

We encourage you to attend the workshop and thank you for your continued support of the Township.

If you have any questions, contact Township Planning Director Chris Patriarca at cpatriarca@westtown.org or at 610-692-1930 ext. 205.

Richard Pomerantz & Russ Hatton, Co-Chairs
