September 7, 2018

Westtown Residents,

This letter is to inform Westtown Township residents who live close to Bayard Rustin High School that the West Chester Area School District is asking the township for an amendment to the current ordinance that governs outdoor lighting. The specific Westtown Township ordinance in question is **170-1514 Outdoor lighting -Section 6A**.

We are requesting a change from the current maximum of 20 outdoor lighted events per year to 30. The proposed additional 10 lighted events would include games in the following sports:

Fall Season:	Field Hockey, Boys & Girls Soccer
Spring Season:	Boys & Girls Lacrosse

These additional events are the type that end by roughly 8:45pm and draw approximately 50-100 spectators. There would be no noise, traffic, or parking issues with these events. There would not be any additional football games, as we already play all of our home football games at night.

Rustin High School is inviting you to attend a town hall meeting on **Wednesday, September 26th at 7:00pm** in the **Rustin Auditorium**.

This meeting is informational and will provide details of the potential ordinance change and provide residents an opportunity to ask questions.

If you have questions in advance of the meeting on September 26th, please let me know. You are welcome to call or email me with the contact information below.

Sincerely,

Devon Landgraff
