Participants will join in listen-only mode until the host grants permission to talk. In that case, participants will be able to unmute and talk during the webinar. All participants will be able to hear you. Participants will also be able to raise hand to indicate that you need something from the host.

If you have a comment or question for the planning team, you may indicate so by utilizing Question & Answer button during the webinar. All questions will be answered live during the session.

If you are joining us by phone, you will have to press *9 to alert the meeting host that you have a question or comment, and then press *6 to unmute yourself. The host will recognize each caller one at a time by phone number and that caller will be unmuted at which point you may speak. Please begin your comment or question by first identifying yourself by name and address.

Please note that this meeting will be recorded for the purposes of making the session available to those who are not able to attend.

Due to the online nature of the call-in system there is a slight audio delay, so we ask that you please take your time and be patient. There will be a slight pause when one person finishes speaking and another person starts. While in this webinar, we ask that you conduct yourself in a civil manner. Any conduct deemed inappropriate (language, etc.) will result in your being removed from the meeting by disconnecting your call.

Residents are encouraged to submit comments or questions in writing prior to the meeting, to administration@westtown.org. Comments and questions for this meeting will be accepted until noon on the day of the meeting.

No in-person attendance at the Township Building will be permitted.

If you wish to participate in the webinar and are a person with a disability requiring an auxiliary aide, service, or other accommodation to participate, please contact the Township at (610) 692-1930 **by 4pm on Monday, September 14** to discuss how the Township can best accommodate your needs.
