Participants will join in listen-only mode until the host grants permission to talk. In that case, participants will be able to unmute and talk during the meeting. If you have a comment or question for the planning team, you may indicate so by raising your hand.

If you are joining us by phone, you will have to press \*9 to alert the meeting host that you have a question or comment, and then press \*6 to unmute yourself. The host will recognize each caller one at a time by phone number and that caller will be unmuted at which point you may speak. Please begin your comment or question by first identifying yourself by name and address.

Please note that this meeting will be recorded for the purposes of making the session available to those who are not able to attend.

Due to the online nature of the call-in system there is a slight audio delay, so we ask that you please take your time and be patient. There will be a slight pause when one person finishes speaking and another person starts. While in this meeting, we ask that you conduct yourself in a civil manner. Any conduct deemed inappropriate (language, etc.) will result in your being removed from the meeting by disconnecting your call.

Residents are encouraged to submit comments or questions in writing prior to the meeting, to [administration@westtown.org](mailto:administration@westtown.org). Comments and questions for this meeting will be accepted until noon on the day of the meeting.

No in-person attendance at the Township Building will be permitted.

If you wish to participate and are a person with a disability requiring an auxiliary aide, service, or other accommodation, please contact the Township at (610) 692-1930 by noon on the day of the meeting to discuss how the Township can best accommodate your needs.
