Re: Act 537, Sewage Facilities Planning
Westtown-Thornbury Elementary School
DEP Code No. 1-15972-263-X
Westtown Township
Chester County

Dear Mr. DiCecco:

This letter is in reference to your application for Sewage Facilities Planning Modules for at 7,610-square-foot addition to an existing school building. The project is located at 750 Westbourne Road in Westtown Township, Chester County.

This project does not meet the definition of a subdivision under the Pennsylvania Sewage Facilities Act. Therefore, no planning modules are required to be submitted to the Department of Environmental Protection (DEP).

The determination that sewage facilities planning is not required is based upon your representation that there will be no increase in student or staff population at the school.

If you have any questions or concerns, please contact me at 484.250.5182.

Sincerely,

Kelly A. Sweeney
