**Re: Meeting Notice – Historic Resources Map Amendment 2022**

Dear Property Owner,

In accordance with §170-2400 of the Township Zoning Ordinance (copy enclosed), the Westtown Township Historical Commission is responsible for the development and update of the Historic Resources Map. The Historical Commission will hold a public meeting on **Tuesday May 9, 2022**, commencing at **7:00 p.m.**, to consider and recommend to the Board of Supervisors amendments to the Historic Resources Map.

You are receiving this letter because one structure on the property you own has been identified for inclusion to the Westtown Township Historic Resources Map:

- **Residence** at 1400 Johnnys Way, UPI. 67-2-62 (Class 3)
  - Currently on list as Class 1

This identification will result in:

- Official recognition by Westtown Township as a historic resource.
- Helping further the mission and purpose of the Historical Commission by increasing public awareness of the historic resources present throughout Westtown.
- A thirty-day (30) review period by the Commission from the submission of a building permit application for exterior alterations and/or demolition. This gives the Commission an opportunity to request permission to document and/or photograph the property prior to the start of construction and/or demolition. If the owner of a historic resource declines such access, it will not affect the issuance of the building permit.

If you have comments or concerns about this designation and are unable to attend the meeting to comment directly to the Historical Commission, please feel free to contact me directly via email at [kdool@westtown.org](mailto:kdool@westtown.org) or by phone at 610-692-1930.

Sincerely yours,
