

October 26, 2023

Chester County
S.R. 0202, Section CWM
US 202: Oakborne Rd. to Matlack St.
Initial Project Notification

Westtown Township
1039 Wilmington Pike
West Chester, PA 19382
Attn: Jonathan Altshul, Township Manager

Dear Jonathan Altshul:

The purpose of this letter is to inform you that we are about to initiate preliminary engineering and environmental studies for a highway improvement project on US 202 identified above within Westtown and West Goshen Townships. For your convenience, please find attached a map showing the location of the project.

Field work such as traffic data collection and roadway surveys will be starting sometime next month. We will send out Notice of Intent to Enter letters to adjacent property owners prior to starting the roadway surveys. Attached is the list of property owners and a sample standard Notice of Intent to Enter Letter for your information.

Prior to beginning our design development, we will meet and collaborate with the township and county to discuss local planning objectives and community mobility needs as we develop the purpose and needs to determine the scope of work for the projects. Please note that funds for final design, right of way acquisition, utility relocation, and construction have not been identified at this time nor have we developed a schedule for design development

If you have any questions or would like additional information, please contact the Project Manager, Madeleine C. Fausto, at (610) 205-6848 or e-mail at mfausto@pa.gov.

Sincerely,

/s/ Timothy Stevenson
for Louis Belmonte, P.E.
