Good afternoon –

Please see an email from Gerry DiNunzio pertaining to the proposed land development.

Sincerely,
Mila

Liudmila (Mila) Carter

Mila,

I have no concerns about this project, but I do have one request: that the builder install a Knox Box for the Fire Department.

They can buy it directly from the vendor by visiting <https://www.knoxbox.com/> and selecting Goshen Fire Co at the top left corner of the website.

Thanks

Gerry
